

## Reader & Partner Feedback - SITL Daily

(Status 25/03/2024)

**Olivier Poncelet** - General delegate, TLF

"SITL Daily is an essential showcase and tool for informing people about developments in the sector at SITL. Through its topics, it helps to demystify the complexities of our industry, stimulates dialogue between key players in the sector and thus helps to shape informed public policy."

**Gaétan Jetté** - President and founder, GMR Safety

"SITL Daily is the showcase for the exhibition and the exhibitors' mouthpiece, giving us real visibility. The team is top notch, really a great approach."

**Laurent Thiebaud** - Commercial Director, Itoh Denki

"SITL Daily allows us to showcase our latest developments. The magazine allows us to discover new technologies, whether from our colleagues or our customers."

**Florian Mohand** - Director of Energy Transition, Bolloré Energy

"It's an extremely interesting magazine, as it allows us to obtain quality information from professionals who are facing the same challenges and issues as we are."

**Guillaume Larroque** - President, AFGNV

"SITL creates intelligence, added value, and knowledge. And its media - SITL Daily - responds to that."

**Eric Faveron** - Site Maintenance Manager, C-Logistics

"This initiative is very interesting! The official daily is a real value-add and contribute to connecting the different actors at the show. We can get a bigger picture of all relevant topics!"

**Alain Ferrand** - Director of Warehousing Solutions, Jungheinrich France

"The Daily is a well-constructed magazine and a good communication tool for Jungheinrich at SITL. Well done to the whole team!"
